**5. Start learning!** If you have some experience with the language, you can take a placement test - found on the left side

The screenshot displays a language learning application interface. On the left is a sidebar with several sections: a blue 'Start Learning' button, a 'Daily Review' section with a green checkmark and the text 'Caught up with review. Come back tomorrow.', a 'Placement Test' section, 'Main Units' (1-5), and 'Specialty Units' (Argot, Romance, Wine and Cheese). The main content area is titled '1 Introductions' with a sub-header '4 chapters • 43 lessons'. It lists 'Chapter 1 Salutations and Small Talk' with a 'Goals' button and a grid of 10 numbered circles (1-10). Below the grid are icons for 'Listening', 'Reading', and 'Recap'. Further down, it lists 'Chapter 2 Languages and Origins', 'Chapter 3 Introductions and Professions', and 'Chapter 4 Personal Info and Preferences'. A second section titled '2 Connections' with '10 chapters • 142 lessons' is partially visible at the bottom.
